

Cleaning and Supplies for Childcare Providers (CSCP) Funds Now Available!

The Governor and Legislature have authorized funding to providers for cleaning supplies, gloves, masks and other personal supplies necessary to protect against and reduce the spread of the Novel Coronavirus. Funds may also be used for labor costs associated with additional time for cleaning services.

Our Resource and Referral (R&R) program will allocate the funds to open or soon-to-be open providers operating childcare or early learning and care (ELC) programs for children of essential workers, at-risk populations, and children with disabilities or special health care needs where the child's individualized education plan (IEP) or individualized family service plan (IFSP) includes ELC services.

The CSCP funds must be used to ensure healthy and safe childcare and ELC settings for children.

Eligible Providers

In order to receive CSCP funding, providers must be currently open or intend to reopen during the COVID-19 emergency. Providers may be either licensed providers, license-exempt centers, or home-based providers.

Funding is limited and will be disbursed on a first-come, first-served basis until funds are depleted, or September 18, 2020—whichever comes first. If you have any questions, please contact our Resource & Referral Program at (707) 863-3950, ext. 709.

IMPORTANT: Please go to the following page for instructions on how to sign and submit the application.
